## WORK EXPERIENCE

### Bin shabib Investment Group

2024 - PRESENT

Web Developer  
Dubai-UAE

Web Developer at Bin Shabib Group, I developed and maintained responsive websites using modern technologies like HTML, CSS, JavaScript, and PHP. I customized CMS platforms such as WordPress and WooCommerce, integrated e-commerce solutions, and optimized websites for performance and SEO. I collaborated with cross-functional teams to deliver user-friendly designs and ensured smooth website functionality with ongoing support and troubleshooting. My work helped enhance user engagement and improve the company's online presence.

- Website Development & Maintenance
- Customization & Optimization
- User Interface Design
- E-commerce Integration
- Database Management
- Technical Support & Troubleshooting

### Website Developer Excutive

2023 - 2024

Proactive zone Documents Clearing
